## ABOUT NORTHEAST COMMUNICATIONS GROUP

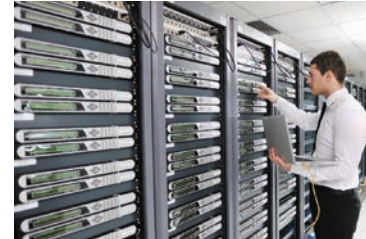

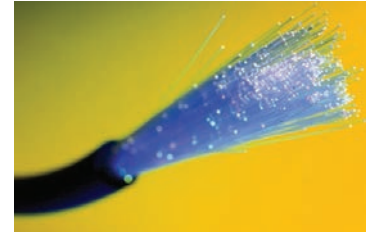

We are problem solvers. We integrate high performance technology infrastructure with your growing needs. No matter what the challenge, we have the experience and solutions that drive productivity and long-term success.

Since 1999, we have provided enterprise-wide solutions that exceed expectations. The business has dramatically changed, but we still stay focused on our core values:

- Provide excellent customer care
- Embrace new technology
- Commit to our client's long-term success
- Produce quality work
- Operate with teamwork & integrity

<b>REAL ESTATE:</b>	Brookfield Properties
<b>FINANCE:</b>	J.H. Cohn
<b>LOGISTICS:</b>	YRC Freight, CRP Industries
<b>MANUFACTURING:</b>	Curtiss Wright
<b>GOVERNMENT:</b>	Passaic Valley Sewerage Commission, City of Elizabeth, Long Branch Sewer Authority, Superior Court of New Jersey
<b>EDUCATION:</b>	Teaneck Public Schools, Seeing Eye Inc.

*“The Passaic Valley Sewerage Commission (PVSC) is one of the half-dozen largest modern wastewater facilities in the United States. PVSC was catastrophically damaged by Superstorm Sandy. Northeast Communications Group was instrumental to our recovery with their quick and professional response. I would highly recommend them to anyone seeking a quality telecommunications construction company.”*

*—John Mendillo  
Passaic Valley Sewerage Commission*
